SIGNATURE RITUALS

Our signatures represent us through regenerating rituals that combine traditional local techniques with international cosmetic lines.

Memorable Together - 2 Persons (120m) SCR 7000

Celebrate this special occasion side by side with this memorable treatment designed for you both to rejoice, relax and rejuvenate.

Begin your relaxation with an exfoliant steam bath moment to prepare the skin to be detoxified then let yourself be enveloped by a relaxing, soothing aromatherapy body and face massage. Continue the celebration and relax further with a bottle of champagne, canapes and fresh fruits to be enjoyed in a private area reserved just for you in a hydromassage tub.

Exotic Coconut Vitality - 1 Person (90m) SCR 3000

The multiple benefits of coconut make it an incredible superfood. This treatment integrates its properties to the maximum.

The exotic ritual begins with a nourishing face cleansing followed by a coconut-based body massage combined with traditional Seychelles local techniques. A coconut-based cocktail will conclude the ritual with vitality.

Tranquility - 1 Person (90m) SCR 2500

Relaxing ritual to relive tension and emotional overload. Combines an anti-stress foot reflexology combined with massage and acupressure of head and neck, face and scalp. The haired scalp will be treated according to a traditional ritual that strengthens the hair structure, repairs from sun damage and releases tension, neck pain and promotes general well-being.

Eden Rock SPA

BODY TREATMENTS

A selection of body treatments dedicated to cell renewal and tissue restoration.

We have selected for you the french cosmetic brand “Origine” rich in 95% vitalizing natural properties.

Body Scrub by “Origine” (30m)

SCR 1000

Body Scrub by “Origine” (60m)

SCR 1800

A scrub rubs away dead cells and slugs off flakes that make your skin look dull and lack luster. It reveals the fresh cells underneath and leaves the skin glowing, youthful and hydrated. Ideal before any spa treatment. Prepares the skin for sun exposure and promotes cell breakdown.

Options;

* MONOI

Laceration tiarè in coconut oil. Gently exfoliates sensitive skin and calms redness.

* GREEN TEA

Hydrating and anti-age properties. Energizing exfoliating treatment.

*FRANGIPANE FLOWER

Detoxifying properties. Strengthens cell renewal.

*SEA SALT

Promotes the drainage of excess liquids. Delicate saline exfoliation.
